Management change in Cloetta

Jacob Broberg, Senior Vice President Corporate Communications & Investor Relations and member of Cloetta Group Management, has decided to leave Cloetta to take up a similar position in another company. He will leave Cloetta at the latest 31 October 2019. A recruitment process to find his successor has been initiated.

“Jacob Broberg has been a key contributor in building the modern Cloetta, especially within Investor Relations and Communications where Cloetta several times has been awarded Stock Listed Company of the year in financial communication. This would not have been possible without his focus and dedication. I would therefore like to express our sincere thanks and appreciation for his dedicated work during almost ten years with the company,” says Henri de Sauvage-Nolting, CEO of Cloetta.

“After almost ten years with Cloetta, I feel the time has now come to take on a new role in another company. I am really proud of what we have achieved during the years I have been with the company and I believe Cloetta has a very strong foundation for continued profitable growth,” says Jacob Broberg.
