Guidelines for remuneration to executive management

The AGM approved the Board's proposed guidelines for remuneration to the executive management.

Long-term share based incentive plan (LTI 2021)

The AGM approved the Board's proposal regarding LTI 2021. LTI 2021 has the same structure as the preceding years' incentive plans and comprises up to 48 employees as a maximum, consisting of the executive management team and certain managers within the Cloetta group, divided into three categories.

As before, to participate in LTI 2021, the participants must have personal shareholdings in Cloetta and such shares must be allocated to LTI 2021. The participants in the first category (the CEO and the executive management team) may as a maximum invest 12 per cent of their fixed annual salaries for 2020 before tax, the participants in the second category (certain senior managers) may as a maximum invest 10 per cent of their fixed annual salaries for 2020 before tax, and the participants in the third category (certain other managers) may as a maximum invest 8 per cent of their fixed annual salaries for 2020 before tax in LTI 2021.

For the first category of participants, each investment share gives entitlement to six and a half (6.5) performance share rights. For the second category, each investment share gives entitlement to five (5) performance share rights. For the third category, each investment share gives entitlement to three and a half (3.5) performance share rights. The performance share rights will be granted to each participant following the AGM 2021 in connection with, or shortly after, an agreement is made between the participant and Cloetta concerning participation in LTI 2021.

Furthermore, the AGM approved the Board of Directors' proposal regarding transfer of B-shares in the company as follows.

- Not more than 1,590,629 B-shares in Cloetta may be transferred (or the higher number of B-shares due to recalculation as a result of a bonus issue, a reversed share split or a share split, rights issue, or similar measures)
- The B-shares may be transferred to participants in the LTI 2021 who under the terms for the LTI 2021 are entitled to receive shares.
- Transfer of B-shares shall be made at the time and otherwise according to the terms pursuant to the LTI 2021.

Authorisation for the Board of Directors to resolve upon repurchase and transfer of own B-shares

The AGM approved the Board of Directors' proposal regarding authorisation for the Board of Directors to, on one or more occasions for the period until the end of the next Annual General Meeting, resolve to acquire a maximum number of B-shares so that the company holds a maximum of ten per cent of all B-shares in Cloetta at any time following the acquisition. The AGM also approved the Board of Directors' proposal to, on one or more occasions for the period until the end of the next Annual General Meeting, resolve upon transfer of own B-shares on Nasdaq Stockholm or elsewhere.

The purpose of the above authorisations, regarding repurchase and transfer of own B-shares, is to enable financing of acquisitions of businesses through payment with own B-shares and to be able to continuously adjust Cloetta's capital structure and thereby contribute to increased shareholder value, as well as to enable hedging of costs and delivery of shares related to the implementation of the Cloetta's, at any given time, share-based incentive plan.
